

a space for everything...

Clean up the clutter. With Store&Order you can easily solve all of your garage storage and organisation problems. Store&Order uses the storeWALL slat wall system that is built rugged and built to last. The PVC storage panels are tough, waterproof, and resilient - the perfect home storage solution. Being stain resistant, the panels wipe clean with a damp cloth. With Store&Order, you can easily add or delete storage as your needs change. The attractive panels accept hundreds of accessories supplied by Store&Order to complete your storage solution.

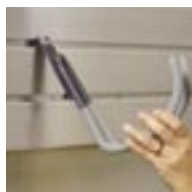

and everything in its place!

StoreWall panels are available in all of their classic colours in an exclusive matt finish. The panels can be installed with the exclusive "HangUps" hidden fastener system for design flexibility as well as a unique "Dowel" ready joining system for a smooth and pleasing appearance.
